

# U10 – U12 small sided field Set Up

*Thankyou for volunteering to set up the miniroos/mini tildas fields for U10 - U12: TH#5A and TH#5B*

TH#5A is closest to the car park.

TH#5B is closest to the bush.

BIDJIGAL RESERVE.

CAR PARK END OF TH #5.

# What you need:

*Field 5A & 5B equipment is in the green wheelie bin in field 4 home change room. Its labelled.*

Each field has:

- \* 2 x goals
- \* 4 x corner flags
- \* 1 x tub (pegs/mallet)
- \* 4 x ¼ line markers
- \* Rubbish bin
- \* Signs

# Goals

*The TH #5A & 5B goals are stored on brackets behind the field 4 change rooms.*

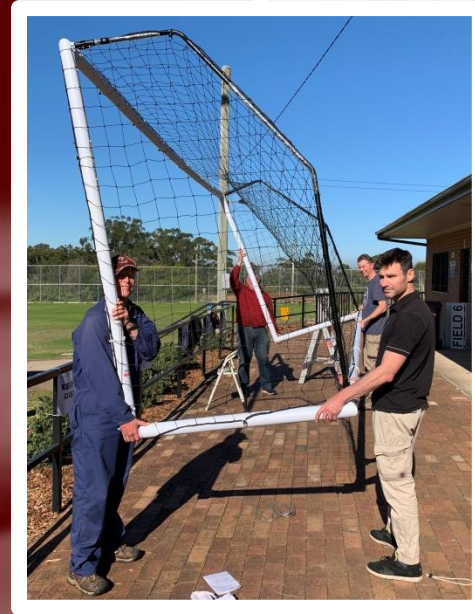

Unchain and remove goals from brackets.  
Leave the chain on the bracket

3 people are needed to carry the closed goals to assemble them.

Assemble goals in front of field 4 change room.

- Turn the side panel 90 degrees whilst moving out the bottom stay
- Connect bottom stay to the base of the side panel by inserting PVC duct into the corner section. Click the pipe to lock it.
- Repeat for the other side

4 people are needed to move the assembled goals into position on the field.

# Securing the goals

*To secure the goals to the ground use the U bars provided. See pics.*

Be careful when you hammer the U bars into the ground with the mallet.

**DO NOT HIT** the PVC pipes or you will smash them.

# Corner flags & bin

Corner flags ● are provided for each field.

Please be careful putting them in the ground. Don't push from the top or they will snap.

Place the bin in the centre of the space between both fields.

DONOT bring benches or seats down for the technical areas. There is not enough room between the fields for seating. **It is a safety risk to have seating in this area.**

Injured players needing a seat should be taken to the side of the field where there are fixed park benches.

# 1/4 line markers

1/4 line markers ● are used to mark areas on the fields.

Orange agility poles are used as 1/4 line markers.

Each field has 4 quarter line markers that are placed just outside the sideline of each field.

1/4 line markers are placed half way between the centre of the field and the goal box.

CAR PARK END OF TH #5.

# Signs

Signs ● are used for identification and safety, as well as to advise all of football and ground regulations.

Each sign has a specific position. Match the text to the appropriate location

2 x Respect/  
Fair Play  
signs should  
be placed prominently.  
One at each field.

# During the game

*Return bucket, mallet etc into the green wheelie bin.*

Place the wheelie bin on the opposite side of the field to where the spectators are so they don't use it as a rubbish bin

BIDJIGAL RESERVE.

CAR PARK END OF TH #5.

# Thankyou for your help

*Our  
miniroos/minitildas  
players appreciate  
your assistance*
